JOIN OUR WINNING CAMPAIGN

Dear Friend,

Sandré Swanson is running for the California State Assembly as a proven leader with a lifetime of outstanding service to our community. For the past 30 years he has served this district as Chief of Staff and senior policy adviser to Congresswoman Barbara Lee and Congressman Ronald V. Dellums.

Sandré has earned a reputation as a dedicated and hardworking public servant who knows how to get things done. He has devoted his career to ensuring that the voices of constituents were always heard, and that their interests, values and beliefs were firmly upheld and faithfully represented.

Our state is facing an historic budget crisis and Sandré has the experience and ability to join the fight and find solutions that will protect our priorities. He has managed legislation and millions of dollars in successful projects for our district—working hard to create local jobs, improving educational opportunities, advancing affordable housing, ensuring accessible healthcare, reducing crime, securing senior citizen and youth services, improving mass transit, building successful small businesses and working for a healthy environment.

Please join us in helping to elect Sandré Swanson, a trusted and responsible leader, as the next Democratic Assemblyman for California's 16th District!
